

Finding a Club for Your Family

1. Look for a club that meets in a place or location you're comfortable with.
2. Select a club that meets during the times which work with your family's schedule.
3. Find a club that accepts members within your child's age range. Cloverbuds: Must be at least age 5 and in Kindergarten as of Jan 1st. Project Members: Must be at least age 8 and in 3rd Grade or 9 any grade as of Jan 1st.
4. Decide what kind of projects (non-animal, animal, horse) your child plans to take and find a club that accepts those kinds of projects.
5. Contact the advisor for more detailed club information. Ask about: participation/attendance requirements, club dues and fundraising, meeting schedule, location, club size, and any other questions you may have.
6. Ask what kind of involvement or participation the club expects from parents.
7. Set up a visit to a club meeting or jump right in. Have fun and enjoy your 4-H Club experience!

When is the best time to join?

The best time to join 4-H really depends on the club's meeting schedule. You should try to contact the club in the winter so you can formally enroll by the county deadline. The Morrow County 4-H enrollment **deadline is April 30th**. Any 4-H'er that wishes to take their project to the fair in the summer must be enrolled in a club by April 30, so it's best to get started in a club before this deadline.

Can't Find the Club for You?

If you can't find a club that will work with your family's needs, maybe you should consider starting a club of your own. Contact us for more information on how to become a 4-H volunteer club advisor. It's an extremely rewarding experience!

Contact the Morrow County Extension office for help finding a club.
