Morrow County 4-H Online Enrollment Information!
2020 Morrow County 4-H Enrollment Help Guide

4-H Online is…
The official Ohio 4-H Youth Development Program database for enrolled 4-H members and volunteers. This system is a partnership between the 4-H family and the county Extension Office and working with them to guide you through questions/problems will create a positive experience for all!

Please remember, this is NOT a database for counties/clubs/families to enter family members (i.e. siblings, grandparents, etc.) that are not directly involved as a 4-H member or volunteer.

For New 4-H Families (Members) –
• Go to “Quick and Easy Enrollment Steps” below. You will have to create a Family Profile. If you are a new volunteer and have turned in your application, you have a family profile, contact the Extension office if you are not sure what email you have used and/or proceed to the steps below.

For 2020/Returning 4-H Families (Members/Volunteers) –
• A Mailing Label is attached to this page in the upper right hand corner. This lists your member(s) and email for your family profile. If you need to change an email you have listed above call our office to provide us with a new email. Do NOT establish another family or member profile if you were a member or volunteer in the past.
• If all is good with your email ---Proceed to Steps below. Review your profile carefully. Any incorrect information can create problems for you, your family and the Extension Office.
• If your family profile is not in 4-H Online, and you have enrolled in the past, please contact the Extension Office.

Quick and Easy Enrollment Steps
1. Go to http://oh.4honline.com — you may want to bookmark this page. Use Google Chrome or Firefox. DO NOT use Internet Explorer!
2. Follow New or Returning Member instructions below -- **DO NOT CLICK SUBMIT UNTIL YOU HAVE TRIPLE CHECKED YOUR PROJECT ENROLLMENTS or you will have to call the office for changes.
   a. New Members/Families –
   • Create a family profile by selecting “I need to setup a profile.”
   • Add youth profiles under your family profile by selecting “Add a New Family Member”.
   • Create the 4-H record by working through the following items by clicking “continue” at the bottom of each screen: Personal Information, Additional Information, Health Form and Participation Information. Cloverbuds should sign up for Project 710 only.
   b. Returning Members –
   • If you have a valid working email listed above (If not valid you have to call us with your new email before proceeding) proceed to enroll online. You can use “I Forgot My Password” if you have forgot it, but you need access to that email. NOTE: Delete any projects listed that the member is NOT taking this year. Remember don’t click “submit” enrollment until you are sure you are done selecting your club and projects. You can log in and out until you are finished and click “Submit Enrollment.” Cloverbuds should sign up for Project 710 only.
3. After you click “Submit Enrollment”, you will get an email from the system. During the next couple of days the Morrow County Extension Office will review all information submitted. The member will then receive an email confirmation once membership approval is granted by the OSU Extension-Morrow County office.

*Note:

a. Parents, who are not volunteers, please do NOT create a profile for yourself. If you would like to become a volunteer contact the Extension office first!

b. The ability to change or update your information is limited to certain fields in the system. If you see information that is incorrect and you are not able to make changes, please call the office and we will make the change for you. Once you hit the Submit Enrollment button – additions or changes to your enrollment must be done through the Extension office. This includes adding/deleting projects and enrolling in a second club. Only submit once you are certain of your projects.
