

Morrow County Fair Sponsorship

Morrow County Horse and Pony 4-H and FFA

We are excited to be planning this year's Morrow County Fair Horse and Pony 4-H and FFA horse show! This is a 5-day horse show that is offered to the youth 4-H and FFA members of Morrow County during the county fair in August/September. Our kids rely heavily on your donations to acquire the funding for our judges, show expenses, ribbons and trophies for approximately 100 classes offered throughout the 5 days. Each of our fair participants are required to obtain at least one \$25 Class Sponsor and if they get \$100 or more in sponsors they can show at the fair for free. This horse show gives our youth the opportunity to showcase all the challenging work they have put into their horse or pony 4-H/FFA projects all year long. Because there are approximately 100 classes, we need your help in providing these hard-working kids with the rewards they have spent so much time and effort to earn. Remember, any donations you provide for these kids can be claimed as a charitable contribution on your taxes.

\$500 Platinum Sponsor Package

With this donation, your name will be announced over the horse show PA system throughout your day. The show bill for the day will include your company name and logo at the top. There will also be a day sponsor banner displayed on the front of the horse barn, with all five of the day sponsors names and logos on it. This is a high traffic area, so it is sure to get plenty of visibility as people walk past it the entire week of the fair. Additionally, each Platinum Sponsor is announced randomly during each show day of the fair.

***If you would like to become a Platinum Sponsor, we ask for your sponsorship information by **Aug. 14** to allow for your banner and show bill to be customized*

\$250 Gold Sponsor Package

This package offers you a spot on our Gold Sponsor Banner that will be hanging on the bleachers by the horse show arena. This location offers great foot traffic as it is along the road that leads to all the livestock barns. As a Gold Sponsor, your name will be read several times throughout each day of the fair.

***If you would like to become a Gold Sponsor, we ask for your sponsorship information by **Aug. 14** to allow for your banner to be customized*

\$100 Silver Sponsor Package

This package recognizes you each day as a supporter of our 4-H and FFA youth. As a Silver Sponsor, your name will be placed on our Silver Sponsor wall inside the horse barn for the week of the fair, your name will also be read each show day of the fair.

\$25 Class Sponsor

As a class sponsor, we show our appreciation at the beginning of your class and again at the end of your class by reading your name. We also read the list of class sponsors randomly each day and make sure that every class sponsor is mentioned at least once during the week outside of the recognition they will receive during their class.

We hope you consider supporting our hard-working kids!!

If you have any questions or to proceed with your donation to our 4-H and FFA kids at the Morrow County Fair, please
