**OSU Extension – Morrow County**  
is funded by a Renewable Levy.

Even with countywide  
reevaluations, your tax amount  
doesn't increase!

OSU Extension – Morrow County  
focuses on lifelong learning  
through education, service,  
research and building county  
relationships!

And all The Ohio State University research and educational knowledge!

Without OSU Extension in Morrow County, all the listed programs will go away and youth will not be able to participate in another county 4-H program.
