Testimonials:

Here's what previous attendees are saying:

"The OSU Farm College is very thorough. It enthusiastically sets you to start working on what you want to do in your farm. I love the fact that always, on every single session, the need for a plan is necessary before you start working on whatever you want." - E. R.

"A great resource offering Pro's & Con's of a small farming operation. Don't even think about starting one without taking this course first!" - D. D.

"I recommend this program to anyone starting or thinking about farming in any area. The amount of knowledge presented was priceless." - J. A.

"Small Farm college provided the spark to launch my farm operation and prepared me with the resources and contacts to move forward with confidence." - S. R.
